

2022

Western Heights High School

ENROLMENT APPLICATION
TAUMATA RAU
SCHOOL OF CHOICE

Important Information for Out of Zone Applications

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulated in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- **First priority** must be given to students who have been accepted for enrolment in special programme(s) run by the school and approved by the Secretary for Education. This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary.
- **Second priority** must be given to applicants who are siblings of current students.
- **Third priority** must be given to applicants who are siblings of former students.
- **Fourth priority** must be given to any applicant who is a child of a former student of the school.
- **Fifth priority** must be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- **Sixth priority** must be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary for Education under Section 11G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school. Applicants seeking second or third priority status may be required to give proof of a sibling relationship.

The enrolment of out of zone students is governed by the provisions of the Education Act 1989.

The board welcomes applications from parents who wish to enrol their sons and daughters at Western Heights High School for next year. Enrolment forms will be available from the school office, and online at whhs.school.nz

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office. The geographic enrolment zone map can be found on our website www.whhs.school.nz

Consents and Declarations Information - the following pages to be detached for your records

Please be sure to read the following information carefully. If you are unsure of any anything in this section please make contact with Western Heights High School for clarification.

Privacy of Information

I/We agree to Western Heights High School:

- a) Requesting relevant information from other schools for enrolment purposes
- b) Forwarding relevant information to another school for enrolment purposes
- c) Forwarding relevant information to other institutions for the purpose of qualifications entry
- d) Using information for statistical purposes, e.g. WHHS Student's Support Centre

Usual Place of Residence

The address given at the time of application for enrolment must be the student's usual place of residence when the school is open for instruction. The Ministry of Education has advised that parents/caregivers should also be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly providing a false address or making an in-zone living arrangement which they intend to be only temporary e.g.

- Residing in-zone on a short-term basis (less than one year);
- Arranging temporary board in-zone with a relative of family friend;
- Using the in-zone address of a relative or friend as an "address of convenience", with no intention to live there on an ongoing basis.

If the Western Heights High School Board of Trustees learns that a student is no longer living at the in-zone address given at the time of application for enrolment, and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of unfairly gaining priority in enrolment at the school, then the board may review the enrolment. Unless the parents/caregivers give a satisfactory explanation within 10 days, the board may annul the enrolment. This course of action is provided for under section 110A of the Education Act 1989.

Boarding Arrangements - Note that the term "primary duty of care" indicates that the person with whom the student is boarding will take a high level of responsibility for the student's welfare. The board might doubt the genuineness of the boarding arrangement if the parents insist on being the first point of contact for all matters relating to the student's progress and behaviour at school.

Code of Conduct

The School undertakes to follow the procedures specified in the School's Charter.

Expectations of Western Heights High School Students:

1. That I will be engaged in learning at all times
2. That I will respect all staff and my peers
3. That I will follow the core routines and responsibilities of the school
4. That I will wear regulation uniform correctly

These expectations are detailed in the Western Heights High School Code of Conduct document which is available online at www.whhs.school.nz and are included in our enrolment packs.

Education Outside the Classroom (EOTC) – school trips/events/activities/sport etc.

Option 1:

I give my general approval for the student enrolled to participate in off-site programmes of learning, within his or her normal classroom time allocation and approved by the principal.

OR

Option 2:

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport.

- Our school believes in using a range of environments and experiences to enhance our students' learning.
- We have ready access to the beach, rivers, mountains, and the bush in our area and beyond. We are also close to various built environments in our community. These areas are rich learning environments for our students both in and out of school. They need to learn how to be safe. Our school also values the concept of providing students with opportunities. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child to participate in such learning

The Ministry of Education's **EOTC guidelines** identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief they are:

Type of event	Description	Type of consent
A	On site- in the school grounds (i) Lower risk environments (ii) Higher risk environments*	(i) No consent sought or blanket consent (ii) Separate consent for each event or programme
B	Off-site events in the local community occurring in school time. (i) Lower risk environments <i>eg: sporting events</i> (ii) Higher risk environments* <i>eg: Rock climbing</i>	(i) Blanket consent at enrolment. (ii) Separate consent for each event or programme
C	Off-site events - finishing after school finishes (i) Lower risk environments <i>eg: Sporting events</i> (ii) Higher risk environments* <i>eg: Travelling out of town.</i>	(i) Blanket consent at enrolment. (ii) Separate consent for each event or programme
D	Off-site residential overnight events (i) Lower risk environments <i>eg Marae stay</i> (ii) Higher risk environments* <i>eg: Camp</i>	(i) Separate consent (ii) Separate consent for each event or programme

*Involves risk assessed to be greater than that associated with the average family activity.

All EOTC activity categories require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate and minimise the risks. Emergency procedures are also in place.

Communication with the School

Our school newsletter, Te Panui, will be emailed to the email address provided in the Caregiver Details section of this form (the first issue will have an option to unsubscribe). The newsletter can also be accessed from the school's Facebook page.

Caregivers can also access the Kamar Portal via our website, with either your child's login (issued early in Term 1) or by requesting their own login by emailing website@whhs.school.nz. This provides access to school notices, timetable, attendance and achievement information.

The Western Heights High School app has proven to be a useful tool for many caregivers. It can be downloaded from both the App Store and Google Play.

Parent interviews are held at regular intervals during the school year.

Your child's teacher can be contacted by phoning the school between 8am and 3.30pm or emailing them with the first initial of their first name followed by their second name. For example: fflintstone@whhs.school.nz

The school recognises your right to privacy and freedom of expression and undertakes not to disclose any information about you or your communication except that which is in breach of conditions. Breaching this Agreement (or any involvement in such a breach) may result in my access being withdrawn, which could make me ineligible to continue studying a particular subject. I understand that my parents may be informed if I breach this agreement.

PARENT/CAREGIVER

As a parent/caregiver of the above mentioned student, I have read the Internet and Future Focused Learning and Acceptable Use Agreement. My child has read the document and understands his/her obligations. In signing the Parent/Caregiver Declaration I give my permission to allow internet access for my child. I understand that access is designed for educational purposes and that students will be held accountable for their own actions. I also understand that some material on the Internet may be objectionable. WHHS will take appropriate measures to limit access to illegal, dangerous and/or inappropriate material and I accept responsibility for setting standards for my child to follow when using email and the internet.

I understand that if my child damages equipment, this will result in an invoice for the cost or replacement parts and repairs and any other associated costs. I also understand this agreement applies to communication technologies my child may bring into the school environment.
